Office of Legislative Counsel

Monday - 16 March 1959

Telephoned Mr. Focke, General Counsel, Bureau of the Budget, following up on my previous call of 26 February inquiring about the proposed Executive Order "providing for the carrying out of certain aspects of the Atomic Energy Act of 1954, as amended, relating to international cooperation." Mr. Focke advised that he had received a reply from DOD dated 11 March but had no reply from the Atomic Energy Commission. Material was forwarded from the Bureau of the Budget to agencies concerned on 8 October and this Agency replied on 13 October 1958 approving the substitute draft Executive Order. This 8 October letter is the one that DOD just answered and the one which AEC has failed to answer.
